The Community Foundation Awards Over \$200,000 in Scholarships to Local Students

FREDERICKSBURG – The Community Foundation of the Rappahannock River Region proudly announces the distribution of scholarships exceeding \$200,000 to more than 50 students from the area. This achievement is made possible through the generosity of local philanthropists who entrust their scholarship funds to The Community Foundation, ensuring that resources are available each year to support our community's students. Currently, the foundation manages 55 scholarship funds established by individuals and families dedicated to strengthening the Rappahannock River region.

This year's scholarship reception was held on Sunday, June 9th, at Stevenson Ridge. Scholarship recipients and their guests were inspired by speakers Alexander Childs (The Christopher Donell Childs Memorial Scholarship and The Rev. Douglas T. Pinkard Memorial Scholarship) and Jim Snyder (The Steven Snyder Memorial Scholarships for North Stafford and Colonial Forge). Both speakers shared heartfelt stories about how their memorials honor loved ones and contribute to the community's betterment.

We extend congratulations to the graduating seniors of the class of 2024 who received scholarships from our donors, as well as to the college students who were awarded renewal scholarships. The Community Foundation is deeply grateful to the donors, the scholarship committee, and the volunteers who make this program possible. To ensure that each scholarship is awarded to the most deserving candidate, the foundation assembles a panel of volunteer reviewers who evaluate scholarship applications based on criteria that align with the donors' intentions for the funds.
